

ROGER C. SATHRE MEMORIAL SCHOLARSHIP
A Fund in the Idaho Community Foundation

The Roger C. Sathre Memorial Scholarship was established in memory of Roger C. Sathre, a vocational education teacher and administrator. The Scholarship recognizes and encourages outstanding Idaho students pursuing first certificates or degrees in professional-technical education or professional-technical teacher education at Idaho schools.

ELIGIBILITY CRITERIA:

To be eligible for the Roger C. Sathre Memorial Scholarship, a student must:

- Be a resident of Idaho.
- Have graduated from an accredited public or private high school in Idaho, or equivalent.
- Have maintained a cumulative grade point average of 2.5 or better during the previous two years of school at an accredited high school or postsecondary school
- Enroll as a full-time student, as defined by the school, in a professional-technical or professional-technical teacher education program at an accredited college or university in Idaho, pursuing an undergraduate course of study requiring at least nine months of consecutive attendance and leading to a first degree, technical certificate or other approved award.
- Financial need may be considered in case of a tie.

A scholarship recipient may apply for one additional scholarship after the initial scholarship award.

SCHOLARSHIP AMOUNT:

The amount of the scholarship varies from year to year, as it is dependent on the availability of funds. For the academic year 2009 – 2010, the Committee anticipates that the award will be in the range of \$450 - \$500.

Questions regarding this scholarship should be directed to your high school counselor; or Kristi Enger at the Idaho Division of Professional-Technical Education at (208) 334-3216; or Lauren Carlson at the Idaho Community Foundation at (208) 342-3535 or 1-800-657-5357.

TO APPLY:

- Complete and sign the Scholarship application form. Type or print legibly all information requested. Read carefully the statements you are required to sign in Section II. This is your agreement to comply with the terms of the Scholarship.
- Write an essay identifying your reasons for wanting to pursue your chosen course of study. Include in the essay your extracurricular activities, participation in school and community organizations, including professional-technical student organizations, work and other experiences that led to your chosen course of study. (Maximum of 500 words)
- Obtain two letters of recommendation from individuals who are unrelated to you and who know your qualifications.
- Submit official transcripts(s) and attendance reports for your previous two years of school.
- Because financial need may be considered in case of a tie, we recommend that a federal student aid report documenting financial need be attached to this application.
- Submit a portfolio of academic and technical achievement (optional).
